SENIOR CLASS

As Commencement time approaches, our minds drift back four long years and review the best years of our lives. Wanting to seem important as Freshmen, we had Freshman Class Day when we wore our class colors of Purple and Gold and acquired courage to face the years ahead until we should become Seniors.

As Sophomores we lived what seemed to be a dull and drab life, studying Latin and Algebra. The boys had their home room in the furnace room.

Next year we returned in September as Juniors and now upperclassmen. We received our rings in November and in April gave the Seniors a prom never to be forgotten.

On September 6, 1951, forty-five students entered Luray High School as Seniors and with great plans for a successful year. They chose for their class colors Red and White, for their class flower the White Gardenia, and as their motto: "Learning Comes but Knowledge Lingers". As plans for "The Highland", the Senior Play, and Commencement fill our thoughts, we realize that our Senior year is ending much too soon.

Miss Annie and Miss Bohannon have endeared themselves to us and we will always remember them for their help and understanding.

The Senior officers are discussing pictures for the Highland. Treasurer Sarah Shaffer and President James Embrey are especially interested in a picture of the Band while Secretary Joyce Lamb discusses with Vice-President Buddy Burner a picture of the student body.

CLASS POEM

As the curtain closes on high school days,
Life and learning reach a new phase.
The deeds we've done and the hours we've spent,
Mean more to us now than they've ever meant.
Wisdom is the fruit that learning brings,
It adds peace and harmony to everything.
To our teachers we can never express,
Our indebted feeling of thankfulness.
Thus at the doorway of our life,
Our fortunes must we find,
Material gain is not our only goal,
But service to mankind.

-By Elinor Estep

JUNIOR CLASS

The members of the Junior Class have shown their great value to our school life by their participation in school activities and athletics. They were hosts to the Seniors in the most looked forward to occasion of the year—the Annual Prom. They have chosen for their class colors and flower, Lavendar and White and the White Rose. Since they have made such a fine beginning, it is thought that they will easily be able to live up to their motto: "Esse quam videri." (To Be Rather Than To Seem.)

President Jimmy Miller, Vice-President Charles Munson, Secretary Ada Humphreys, Treasurer Jimmy Finks, Reporter Frances Shaffer, and Historian Wilma Strickler smile happily into the camera as they go down the stairs to a class meeting.

SOPHOMORE CLASS

The Sophomores have already crossed two bridges successfully on the river of high school life. This class has been fortunate in keeping most of its members, and if they maintain this fine record, they will have one of the largest graduating classes of L. H. S. history.

This class has several outstanding members in the Band, Glee Club, and Athletic teams.

One of the reasons for their success in high school life is the excellent leadership of their well chosen officers. They have chosen Green and White to carry with them through high school and for their class flower, the Lily of the Valley.

Their motto: "Always B□." (Always Be Square.)

The Sophomore officers, Jimmy Stilwell, President; Bobby Bradford, Vice-President; Joyce Spitler, Secretary-Treasurer; and Nora Belle Strickler, Reporter, discuss the outcome of their intra-mural basketball teams.

FRESHMAN CLASS

The Freshmen enthusiastically took their places as real high school students. They are always eager to be of help to their upperclassmen and work cooperatively in all school activities. They have many members who show much promise both in scholastic and leadership ability. They picked the lovely colors of Blue and White and for their flower, the White Carnation. They also have chosen a Latin quotation as their motto: "Veritas vincit". (Truth Conquers.)

CHORAL GROUPS

We have several concerts throughout the year. The Band, Glee Club, Double Quartet, and Majorettes join to make them performances that our whole community enjoys. Everyone is proud of our band which has made "Superior" ratings at District and State festivals. On the march they make an excellent appearance also, and at Front Royal and Harrisonburg parades they took coveted prizes from stiff competition.

The Glee Club and Double Quartet are two other organizations which add much to the school and community life. They sing often at churches and banquets and have gained much deserving praise from their audiences.

These organizations are all under the direction of Mr. Gurney, who is much respected by all his students for his exceptional music ability.

S. C. A.

President James Embrey addressing the student body at an assembly.

This year has been a very successful one for our S.C.A. One of the reasons for this was the wise and helpful leadership of our officers. The committees have worked diligently on their projects and have obtained results worthy of the praise they have received. In April they sponsored the annual meeting of their district and presented interesting and worthwhile programs. Here at Luray High we all realize the value of student government and work enthusiastically to abide by its laws.

Vice-President Charles Munson, Sec.-Treas. Zora Burton, and Reporter Joyce Lamb are discussing plans for the district meeting.

ATHLETICS . . .

DISTRICT FOOTBALL CHAMPS

First Row: Coach French, S. Gordon (Manager), R. Miller, B. Menefee, J. Fox, A. Good (Captain), B. Burner (Captain), T. Jennings, C. Munson, J. Embrey. Second Row: C. Clark, E. Gander, G. Miller, R. Burner, J. Rothgeb, J. Burner, J. Hoak, F. Yates, A. Campbell, B. Munson, H. Fox, J. High. Third Row: J. Stader, R. Swartz, J. Taylor, G. Zirkle, S. Vaughn, K. Judd, L. Getz, A. Vaughn.

The Luray Bulldogs had a most successful season this year, winning six out of eight games and tying one. Their only loss was claimed by Madison.

Luray had in effect the powerful single-wing formation, using its weight and speed to a great advantage. They suffered quite a few injuries, some putting players out of action for weeks. Charlie Clark and Julian Taylor suffered from a fractured ankle.

After their first and only defeat, the Maroon and White express was unable to be flagged down until it came to the end of the road.

Probably the most exciting game of the season was the one with our oldest rival, Shenandoah. Nearly the whole county turned out for the big game. The Luray fans went wild when "Red" Embrey scored the winning touchdown in the last three minutes of the game. Other players who made this a game to remember were Eddie Gander, Charlie Clark, Alfred Good, and Garland Miller who turned in a brilliant defensive job that was responsible for the scoring of two safeties. "Bo"

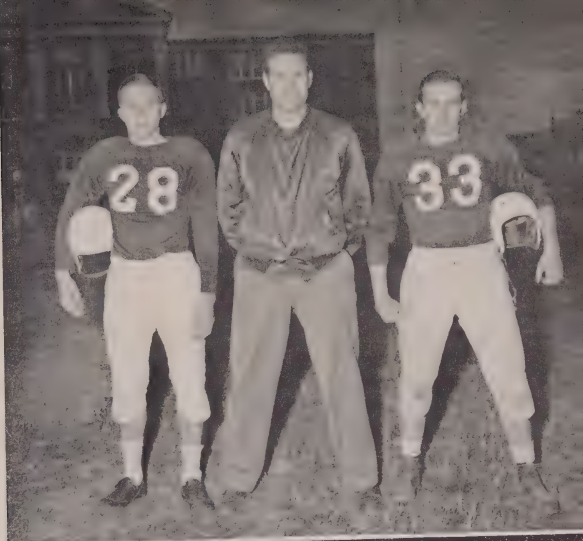

Vaughn, with his pin-point passing, gave the crowd many thrills.

The pay-off game was with Elkton since it decided the Champions of District M. This was a thriller from the starting whistle until the end, when L. H. S. left the field victorious and brought home the much coveted trophy.

Three years ago Coach French started building a football power house that brought glory and honor to our high school. Through his patience and coaching ability, he made football stars out of Freshmen and Sophomores who had never been on the gridiron; but his determination to win made these boys play spectacular football.

The rip-roaring Senior members that have played their last game upon the Luray gridiron are: "Fleetfoot" Menefee, "Bo" Vaughn, "Wild Bill" Embrey, "Cutie" Clark, "Toe" Gander, "Legs" Burner, "Pretty Boy" Jennings, and "Baby Face" Hoak. These boys will remain in Luray's Football Hall of Fame for many years.

Co-Captains Buddy Burner and Alfred Good waiting with Coach French for the signal that begins the game.

This shot shows the power of Luray's line. Luray comes crashing through and carries the ball for a T.D.

ALL AROUND OUR TOWN . . .

McKay's Drug Store is the most popular hangout of the high school crowd.

Belvin's Restaurant is the place we gather on Sunday night to talk over plans for the coming week.

The Page Theatre is one of the most beautiful buildings in the town and we spend much of our time there enjoying good movies.

The Luray Singing Tower is one of the few carillons in the United States and we are very proud of this great asset to our town.

The Luray Caverns not only is a spectacular spot of beauty but also provides much employment for the high school students.

Shulers is a wonderful recreation center and we all love to go there to swim and to dance.
